

Arc to Hold Election of Officers to Board on May 27

Members at Large Also on Ballot

All members of The Arc of Warren County are welcome and greatly encouraged to attend a **Fri., May 27** membership meeting that will feature election of officers and members to the organization's Board of Directors for the 2016-2017 membership year.

This meeting is mandated by The Arc's by-laws and—for the first time in the organization's 60-plus years - **an alternate slate of interested and qualified members has been proposed.** The meeting will begin at 6 pm with introduction of the candidates, followed by a brief question and answer session and election.

Members must cast their ballots in person: there is no provision for absentee or proxy ballots. Transportation is offered free of charge to those who desire it. Please call The Arc offices at 908-689-7525 to make arrangements. Please call, also, if you have any questions about your voting eligibility.

This election is critical to the future of The Arc. You will hear from us shortly with more details outlining the many reasons why your vote is so important.

of Warren County**

Many Things to Celebrate This Spring!

The dust has barely settled, but we'd like to take this chance to thank the many donors and volunteers who made our 26th annual WRNJ Radiothon for The Arc a tremendous success on April 22. We went off the air at 5 pm very nearly at our goal of \$65,000 in support of Arc services for children and adults with intellectual disabilities, and the pledges continue to roll in.

From all of us, THANK YOU for caring!

And... a big welcome to new Foundation board member **Peter Pafinos** of Hackettstown. Peter is an architect with real estate development expertise and he is looking forward to working with the board on a number of initiatives. We are very pleased to have him with us.

Finally, we welcome the presenting sponsorship of **Nisivoccia LLP** for our Golf Classic to be held August 22 at Hawk Pointe Golf Club, Washington. Player and sponsor packages are available by contacting the Foundation Office at 908-689-7525 x212. We also welcome the help of our volunteers.
